STORIES, TESTIMONIES & RECOGNITION

National Adoption

In 2022, several countries took significant steps to strengthen the adoption of Bitcoin and decentralized technologies.

Major events included El Salvador's new law introducing Bitcoin bonds, the Central African Republic adopting Bitcoin as an official currency, the collaboration between Tether and Lugano (one of the largest cities in Switzerland), and the creation of Bitcoin Island in the Philippines.

Growth in Bitcoin Wallet Usage

As of 2022, there are over 80 million cryptocurrency wallets worldwide, a significant increase compared to 5.78 million in January 2016.

It is projected that the number of Bitcoin wallet users will increase from 32 million in 2021 to an estimated 200 million by 2024.

Major Exchange Platform Users

Blockchain.com reached 81 million users in 2022; Binance is projected to have 150 million registered users by 2023.

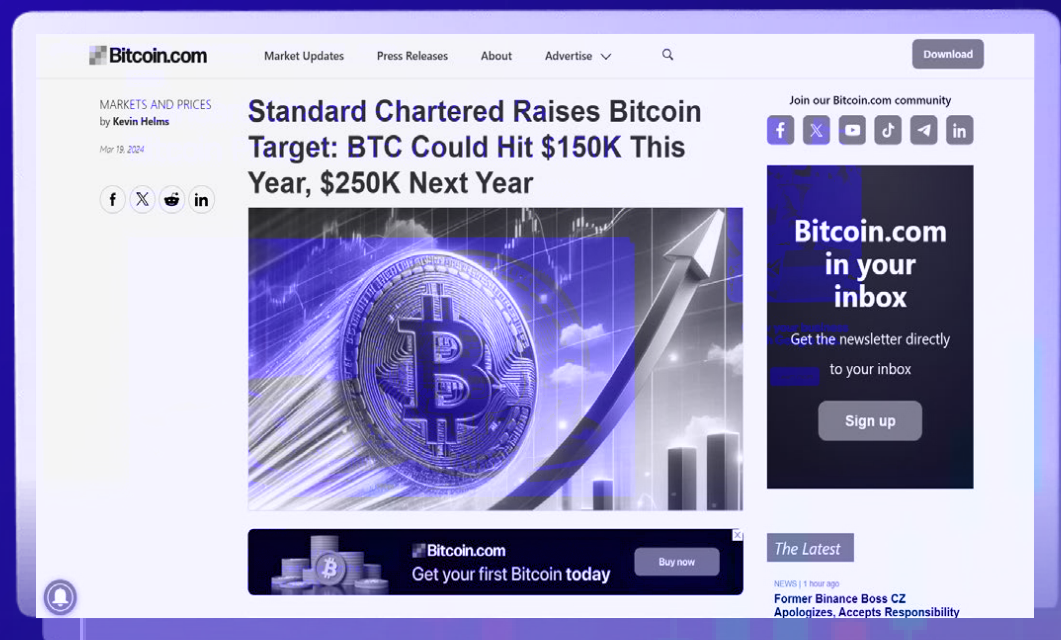

Coinbase had 98 million active users in 2023.

Usage of Diverse Wallets

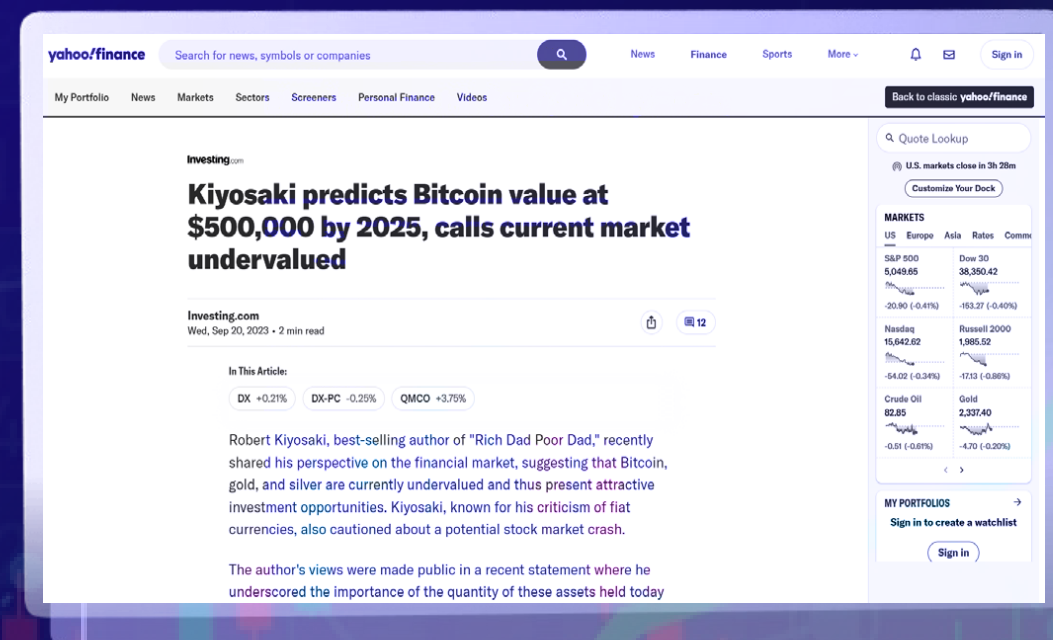

Various wallets are widely used, such as Trust Wallet with over 60 million global users, MetaMask with over 30 million monthly active users, and Ledger Live hardware wallets with over 1.5 million active users.

CRYPTO PRICE PROJECTION

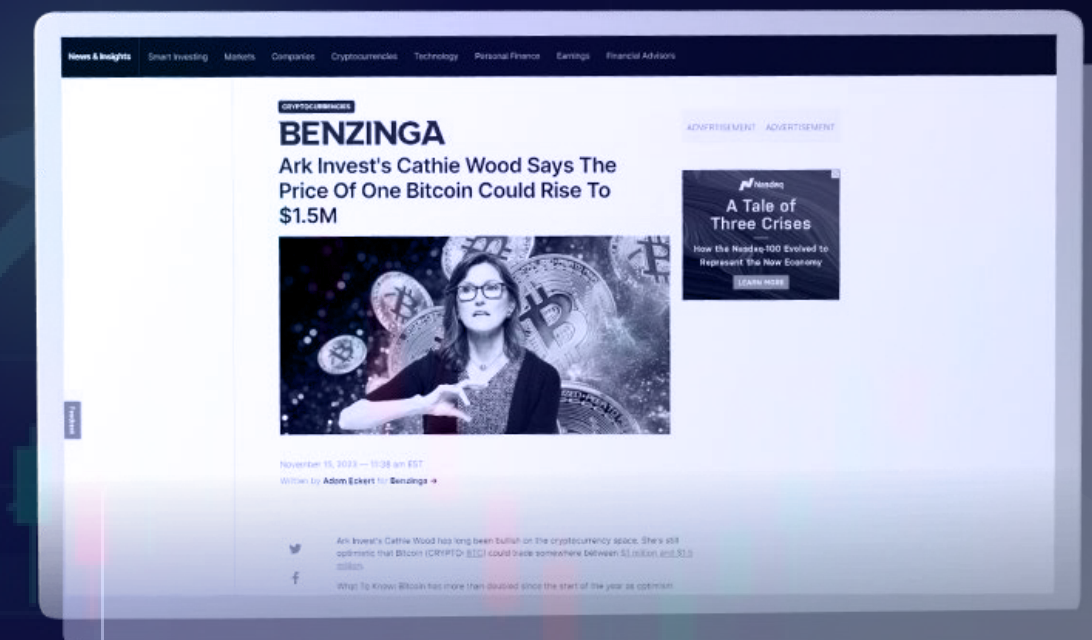

Bitcoin.com

Standard Chartered Bank, one of the major multinational banks in the UK, raised its Bitcoin target that BTC could hit \$136,522.56 in 2026.

CNBC

Robert Kiyosaki, the author of Rich Dad Poor Dad, and an American businessman, predicts that Bitcoin could reach \$500,000 by 2025.

Nasdaq

Cathie Wood from Ark Investment Management predicts that the price of one Bitcoin could reach \$1.5 million by 2030.

ABOUT FOREX TRADING

Forex Trading, also known as Foreign Exchange Trading or Currency Trading, is the process of buying and selling different currencies in the global market. It is the world's largest and most liquid financial market, with a daily trading volume of over \$7 trillion.

Traders aim to profit from the changing exchange rates between currency pairs — like EUR/USD, GBP/JPY, etc. The market operates 24 hours a day, five days a week, offering flexibility and global access to individuals and institutions.

FOREX KEY HIGHLIGHTS

• 24/5 MARKET ACCESS

• HIGH LIQUIDITY & LEVERAGE OPTIONS

• CURRENCY PAIR TRADING (MAJOR, MINOR, EXOTIC)

• OPPORTUNITIES IN BOTH RISING & FALLING MARKETS

HOW FOREX TRADING WORKS

Forex trading (foreign exchange trading) is the process of buying one currency while simultaneously selling another. Currencies are traded in pairs (like EUR/USD or GBP/INR), and traders try to profit from the fluctuation in exchange rates.

STEP-BY-STEP: HOW FOREX TRADING WORKS

∴ Currency Pairs ∴

EUR/USD means you are trading the Euro against the US Dollar.

If you think the Euro will rise, you buy the pair.

If you think it will fall, you sell the pair.

STEP-BY-STEP: HOW FOREX TRADING WORKS

::: Market Moves :::
Currency values change due to:

Global news
Economic data (like inflation, interest rates)
Political events
Supply & demand

WHY CHOOSE US ?

01 Right Track

Certainly, here's a concise summary in one sentence: According to Chainalysis's September 2022 report, emerging countries, including middle to low-income nations like Vietnam, the Philippines, and India, lead in cryptocurrency adoption, with a presence in the top 20 countries spanning various income levels, including high-income nations like the United States and the United Kingdom.

03 Right Team

Our team consists of experienced technical experts, financial analysts, and market strategists. Team members have practical experience in the cryptocurrency and blockchain industry, enabling them to accurately grasp market dynamics. The team is dedicated to innovation, constantly seeking new methods to improve service quality and user experience.

02 Right Time

Now is an opportune moment to enter the cryptocurrency market, with advancing technology, clearer regulations, and the potential for innovative investments. Cryptocurrencies are gaining recognition as a store of value and investment, especially amidst global economic uncertainty, and the upcoming fourth Bitcoin halving event adds further intrigue.
